myTurn Tool Library User Manual

Welcome to the UCD Farm Tool Library!

The UCD Farm Tool Library is designed to provide conservation-oriented tools, such as a wheel plow, broadfork, and no-till drill, to farmers and gardeners.

The Library is located in White Salmon, WA, at the Mt View Grange, accessible from the Estes St parking area.

DROP OFF - Fridays between Noon and 1pm

PICK UP - Fridays between 1pm and 2pm

(Reservations are required.)

We welcome [volunteers](#), and we have a variety of ways you can help!

If you have a tool to consider donating, please email ucdtoollibrary@ucdwa.org or give us a call at 509-493-1936 to discuss (donations to the tool library must meet a specific set of criteria.)

Membership Options:

Limited Use - check out up to 3 tools per year (either singly or all at once). \$20/year.

Unlimited Use - check out an unlimited number of tools per year. \$75/year.

Implement Only - For renting our large implements. These items do not have an annual membership fee but require a per-use payment, which is be paid upon pickup of the implement. The No-Till Drill is \$165 for a 2 day rental and the Manure Spreader is \$65 for a 2 day rental. Implement Only memberships do not have access to reserve other tools from the Farm Tool Library.

Scholarship Memberships are also available to those who are experiencing a hardship that prevents them from purchasing a regular membership. Please reach out directly via email (ucdtoollibrary@ucdwa.org) if you would like to discuss this option.

Instructions:

In the event that additional fees are due, UCD will notify User, and User may elect to pay the fees with cash, credit or debit card. If User does not wish to pay with cash or check upon equipment return, UCD will bill the user.

TERMS & CONDITIONS:

Upon becoming a member of the UCD Farm Tool Library, User will be asked to indicate your agreement to the terms and conditions of use.

I understand/agree that: *

I understand/agree that: *

User releases, holds harmless and indemnifies UCD, its officers, officials, employees and volunteers from any and all claims, suits, actions, or liabilities for injury or death of any person, or for loss or damage to property, which arises out of the User's use of the equipment and in anyway related to, or resulting from the use, operation and/or transportation of the equipment. Without limiting the forgoing, UCD shall not be liable for any personal injury or property damage occurring from (1) loss caused by theft, (2) accidental damage to persons or property from the transportation or operation/use of the equipment, (3) damage or injury resulting from the conduct of the User whether negligent or otherwise, (4) responsibilities or claims that may result from transportation or use, and (5) damage to crops, soil, sensitive or regulated natural resources, farm infrastructure, or loss of crop value.

I understand/agree that: *

In the event of injury or damage not insured against, User shall pay for injury or damages at the sole expense of the User. In releasing, holding harmless and indemnifying UCD, User agrees this includes to identify and hold harmless the UCD, its employees, board members, and volunteers from all claims arising by virtue of the transportation and operation/use of the equipment pursuant to this agreement. In the event UCD incurs any legal fees or other costs enforcing the terms of this agreement, the User shall be responsible for all such fees and costs. User also acknowledges that UCD is not responsible for any public health issues arising from the use of this equipment.

INVASIVES PREVENTION AND BIOSECURITY PROCEDURE:

The purpose of this procedure is to stop the spread of invasive plants, disease, and pests from one operation to the next. 1. Once you receive the equipment you are required to spray the equipment and the trailer (including tires and undercarriage) with a hose. Ensure all material and residue is removed from the equipment. 2. Once you have completed use of the equipment you are required to spray the equipment and the trailer (including tires and undercarriage) with a hose. Ensure all material and residue is removed from the equipment. To reduce the spread of vineyard and orchard pests, such as Phylloxera and Crown Gall, it is recommended that you move the equipment to a concrete pad away from crops or other sensitive areas, pressure wash equipment using a 10% bleach solution or hot water with detergent in the pressure washer.
